

Farm At Auction

Saturday, Sept. 24, 1921

On the above date I will sell at Public Auction, on the premises in the 3rd district of Jackson County, Tenn., the lands known as the Haywood Birdwell, or the Shields farm, situated on the waters of Wartrace, to the highest and best bidder, on attractive terms, which will be made known on the day of the sale.

This is one of the finest farms in Jackson county, containing 120 acres, with good improvements; in one mile of excellent school; on splendid road; in fact has all the advantage one could wish in the selection of a good home. It has about 20 acres of fine bottom land and the up-lands are first class; plenty of good blue-grass, wood and water on the place, and the neighborhood can not be excelled in the state.

This a rare opportunity for one wanting a good home, so don't forget the date of sale and come prepared to buy it. The High Dollar gets it. This land will be sold in lots, and then as a whole, the largest sum derived from the sale as a whole or in lots, will be accepted. Possession Jan. 1st, 1922.

BASEBALL NEWS.

Dycus lost a one sided game to Granville by a score of 5 to 12. Savage batting by Granville in the fifth inning off of Dycus' star pitcher, Minchey, won the game. This game was played at Granville. Batteries for Dycus, J. Draper and Minchey, P. Draper and Wiggins; Granville, Page and Sutton. Dycus extends an invitation to Granville to return their visit soon.

Dycus again lost to their old-time rivals Friday evening on Wiggins field, by a score of 7 to 8. This was a thriller throughout and should have been won by Dycus, and would have been, had it not been for some reckless base running by Dycus players. Batteries for Dycus, Wiggins and J. Ray; Bagdad, D. Ray Hudson and Green.

One of the best games of baseball, witnessed by local fans, this season, was played Saturday, Aug. 20, at Bagdad, between Bagdad and seven Difficult and two Dycus players.

Wonderful playing by the entire team kept Bagdad's score down. But second baseman, Wiggins, and catcher and pitcher, Ray, and shortstop Powel, and and centerfielder Boze, all did almost superhuman playing. Ray deserves a lot of credit for this game. He caught the three first innings and then went into the pitchers box and held the slugging Bagdad players to three runs for six innings.

Batteries; Difficult, West, Ray; Bagdad Henson and Wilson.

Land Sale

Saturday, Sept. 10, 1921

At the late residence of George Strode on Crabtree Creek, in the 4th civil district of Jackson, Tenn., there will be offered for sale to the highest and best bidder all of the farm known as the George Strode home place.

Farm Contains 215 Acres. One mile of High School.

This farm consists of 215 acres of land, well watered, with plenty of timber of all kinds; with good residence; plenty of running water the year round all over the farm; about 75 acres in cultivation; about 25 acres in creek bottom; lies one mile from North Springs High School with good road all the year. There is more land susceptible of clearing and cultivation on this farm, than that already cleared. Every kind of wood, both hard and soft wood, indigenous to this section of country. There is a pasture of some 30 acres, with about eleven acres well set in finest bluegrass.

To be Offered in Two Tracts, Then as a Whole.

This farm will be offered first in two separate tracts, each tract to run with the meanders of the creek in front of the main residence, and, then as a whole, and, the bid aggregating the highest amount, to be considered as a sale.

Terms of Sale.

One half cash, with balance on one, two and three years, with lien retained on land to secure notes. Possession to be given on January 1, 1922, but, at any time this Fall for the purpose of sowing grain, or making any desired improvements, so as not to interfere with present tenants.

Deed in fee simple will be executed to the purchaser, or purchasers, executed by Mrs. George Strode and all of the heirs of either George Strode, or, Mrs. Strode.

One Quality-One Price

Firestone
Again Reduces Price
Extra Size 30x3½ \$16.65
Now \$13.95

Firestone first made the low price of \$13.95 on the Standard Non-Skid, May 2. Unusual purchasing power through big volume of business, and the great efficiency of its \$7,000,000 Plant No. 2, manufacturing exclusively 30x3½ size, made this possible. Now, the production of the Extra Size 30x3½ tire has been transferred

to Plant No. 2. This permits the price reduction on this tire from \$16.65 to \$13.95. No such value has ever before been offered tire users. If your dealer hasn't the Extra Size in stock ask for our Standard Non-Skid type at the same price. You will still be getting an unusual tire value.

Cords That Don't Blow Out

You feel secure on Firestone Cords. Because Firestone Cords don't blow out. Your repair man will tell you he hasn't seen a blowout this past

year—10,000, 15,000 and 20,000 miles, and the tires still going strong. See your Firestone dealer today. Name below.
